To Cumberland Council,

I would like to object to the proposal for the construction and operation of an organic waste transfer station at 109A Church Street LIDCOMBE NSW 2141; Lot 1 DP 778492 . File: DA2023/0130 .

Lidcombe is a beautiful community, I love to live in here, however I very sad to hear there will be a waste station building on Church st. The traffic on Church St will be terrible as there are so many apartments built there already. Also, object to the noise and dust fumes and bad smell from the trucks and the Plants from the transfer station.

Object to the following point:-

- . More traffic congestion.
- . Noise.
- . Dust fumes.
- . Bad smell.

Your sincerely,
