To Cumberland Council:

i would like to **OBJECT** to the proposal for the construction and operation of an organic waste transfer station at 109A Church Street LIDCOMBE NSW 2141 Lot 1 DP 778492file DA2023/0130

We had a nice and quiet neighbourhood around this area. There are apartments being built and already have busy traffic on Church Street, we don't want to see once the transfer station has been built there will be waste transfer trucks going around and causing more traffic congestions. Also object to the noise and dust fumes and bad smell from the trucks, ***it will affect seriously and directly to our community health.***
THANK YOU VERY MUCH

OBJECT to the following opint

community health
More traffice comgestion
Noise
Dust fumes
Bad smell

Your sincerely
