To my council member,

My name is

1. My phone number is 0

I am writing to lodge my concerns about the proposed organic waste facility at Lidcombe. I would like to officially oppose the building of a structure, as it is too close to residential developments and there is little capacity for the increased traffic and needs of the facility.

I am particularly concerned about the decrease in property value, smell of the waste facility, the extended business hours of the facility and the added stress and traffic in the surrounding infrastructure.

Please choose another site, the facility is not wanted in Lidcombe.

Thank you,
