

To  
Cumberland Council,

I wish to advise - I do NOT wish to support the building of a "Rubbish Tip" (Organic Waste Transfer Station on "109A" Church Street, Lidcombe.)

My husband & I purchased our "Family Home" and we moved into it on "ANZAC DAY", 1964, we were parents to 3 girls & our "first" son was 3 months. We welcomed 2 more sons & "reared our family of 6 children". Sadly my husband passed away on 4/2/2020. Lidcombe is "our home"! We feel a safe and clean suburb to inhabit! Should be available to "all families".

Sincerely,
