CAUTION: This email originated from outside of the organisation. Do not click links or open attachments unless you recognise the sender and know the content is safe.

To whom it may concern,

I like to **submit my objection** to the above application. Due to the fact that so many negative impacts arise. if you personally have a property in Lidcombe area, would you let yourself and you kids face this nasty development? This plan can be implemented in the remote site not the suburban residential area, if the developer think it is safe and right ,Please ask them to put one where they live.
