Dear Cumberland Councillors,

RE: OBJECTION to Development Proposal DA2023/0130 - demolition of existing buildings and construction and OPERATION of an ORGANIC WASTE TRANSFER STATION

I strongly object to this proposed project.

The impact on traffic congestion for our community is concerning.

The impact on residents in the close vicinity (existing and all the brand new dwellings) is concerning.

The health and well-being of our community is paramount.

I trust that my email will be viewed. I would appreciate being kept up to date with this proposal as it is very important to me and my family.
