Dear Mayor, Councillors and planning committee,

Please consider my facts and reject the DA.

1. Traffic- Increasing due to heavy truck movements (approximately 120 trips/ day). This will badly impact local roads as well as Church Street, Railway and Arthur Streets.
2. Trucks will be carrying waste added with unpleasant odours, impacting local residents, air quality and pollution.
3. Neighbourhood schools, child care centres and aged care centres will be directly affected.
4. Due to the increased number ( 350 ) of apartments @ Church Street, together with DA for the Organic Waste Transfer station causing more deterioration of our local infrastructure.

Thanks.

Regards
