Hi Fay,

Trust you are well.

I am writing as the owner of [redacted] and would like to strongly oppose to the proposed DA number above for the waste management centre on Church street.

As my house is only 400m away from the site and most surrounding residents will be heavily affected both physical and mental health and the house price will very likely drop.

I would imagine you will do the same the oppose if this is near where you live.

Please let me know the process to join the many protesting residents as I know to stopped the development urgently.

Kind regards,
