Subject: [EXTERNAL] Objective for purpose of waste station at church st , lidcombe

CAUTION: This email originated from outside of the organisation. Do not click links or open attachments unless you recognise the sender and know the content is safe.

Dear sir/madam, it's coming to my attention that there is a proposal for a waste station to build at church street lidcombe, I couldn't imagine if such stations build at church street will be caused. First will be more traffic jam, then pollution for density residents area, the site is definitely inappropriate.

I am strong against such idiots purpose. Please consider the residents of lidcombe s felling.
