To: Cumberland City Council,

Re: OBJECT to the development, DA2023/0130 , Site: 109A Church Street LIDCOMBE NSW 2141; Lot 1 DP 778492 .

Dear Cumberland Councilors,

I would like to object to the proposal for the construction and operation of an organic waste transfer station at 109A Church Street LIDCOMBE NSW 2141; Lot 1 DP 778492 . File: DA2023/0130 .

I am concerned about the unhealthy dust and bad smell from this Waste transfer station that will impact us and the Tenants/residents of Lidcombe nice residential area, this will impact our health issues like allergies as well as impacts on our property value. I believe nobody will like to buy a property to live close to a rubbish Tip.

Object to the following point:-

- Dust fumes.
- . Bad smell.
- . traffic congestion.

Regards,
