Hello,

Please do not put an organic waste facility in Lidcombe.

The location is really close to residential areas and that roads aren't big enough to facilitate traffic. The road it is proposed on is high traffic region. This road is used by alot of ppl to go towards strathfield or to Sutherland shire. There is already enough traffic around there as it is... Having the waste facility is only adding to the traffic.

DO NOT PUT AN ORGANIC WASTE FACILITY IN LIDCOMBE.
