To Cumberland Council,

I have to object to the proposal for the construction and operation of an organic waste transfer station at 109A Church Street LIDCOMBE NSW 2141; Lot 1 DP 778492 .
File: DA2023/0130 .

We had a nice and quiet neighborhood around this area. There are apartments being built and already have busy traffic on Church Street and Parramatta Road. I don't want to see once the transfer station has been built where will be waste trucks going around and causing more traffic congestions. In addition, object to the noise and dust fumes and bad smell from the trucks and the plants from the transfer station.

Object to the following point:-

- . More traffic congestion.
- . Noise.
- . Dust fumes.
- . Bad smell.

Your sincerely,
