Subject: [EXTERNAL] Proposed development of the organic waste transfer station at 109A Church Street

CAUTION: This email originated from outside of the organisation. Do not click links or open attachments unless you recognise the sender and know the content is safe.

Dear Sir/Madam,

I would like to object to DA 2023/0130 - the proposed development of the organic waste transfer station at 109A Church Street.

It is mainly because of the health hazard that would affect the entire suburb, the pollution plus the traffic congestion.

Kind regards

Kind Regards
