Subject: [EXTERNAL] Objection to proposed development - Organic Waste Transfer Station DA 2023/0130

CAUTION: This email originated from outside of the organisation. Do not click links or open attachments unless you recognise the sender and know the content is safe.

Dear Sir/Madam,

I would like to object to DA 2023/0130 - the proposed development of the organic waste transfer station at 109A Church Street. I believe it would not be beneficial to have this site established in Lidcombe given the suburb is already a high density area. I have lived in Lidcombe for nearly ten years and there is already significant residential developments in the area. The proposal would not suit the area.

Please let me know if you need more information.

Kind regards,
