Hi Cumberland Council,

Please do NOT build any rubbish tip in Lidcombe!

Lidcombe is a place full of local residents, schools, child care centres, medical centres, parks and businesses. By building a rubbish tip, it will heavily increase the traffic congestion and produce plenty of noise and smells to all the lovely people within the neighbourhood.

If there is any rubbish tip that the government wishes to build, please consider the suburbs that are remote with a small amount of residents, where the negative impact from a rubbish tip can be

minimised. Lidcombe, as busy as it gets, is definitely not a good choice AT ALL.
