Dear Sir/Madam

I oppose the waste transfer station proposed for 109A Church St Lidcombe (DA2023/0130), because of the noise, extra and unsustainable truck traffic, impact on roads, smell, and hazard to pedestrians it will bring to Lidcombe.

For these reasons, I do not want to live near a waste transfer station which would be less than 450m from my house. The waste transfer station should not be so close to Lidcombe's residential area.

Yours faithfully,
