Hi Fay Ong

I wish to lodge a submission for the above DA. This development will affect all the people moving into the new units being built in Church St Lidcombe. This project consideration should be put back until most of these units are occupied. I think it is only fair.

For me it will affect us on hot days when the smells of the rotting vegetables blow our way. I would prefer this to be moved closer to the industrial area. Between the cemetery and the railway line closer to Flemington.

Kind regards
