Hi,

As a local resident of Lidcombe  
concerns over a rubbish tip in the local area.

I have serious

It will significantly impact the area including but not limited to:

- Increased in truck traffic
- Potential to decrease property values for places close to the tip
- Increase odor, no guarantees how this can be prevented.
- Hours of operation - these hours are long and would increase noise from trucks

This may be zoned industrial but the close proximity to residential houses is ridiculous.  
The size of site would imply that it would fill up quite quickly.

We absolutely do not want this in such a densely populated area.

Kind Regards,
