To Cumberland Council,

I would like to object to the proposal for the construction and operation of an organic waste transfer station at 109A Church Street LIDCOMBE NSW 2141; Lot 1 DP 778492 .
File: DA2023/0130 .

We had a nice and quiet neighborhood around this area. There are apartments being built and already have busy traffic on Church Street, we don't want to see once the transfer station has been built there will be waste transfer trucks going around and causing more traffic congestions. Also, object to the noise and dust fumes and bad smell from the trucks and the Plants from the transfer station. In the future, it will affect children going to and from school, like my son has asthma, and it will also affect children's health.

Object to the following point:-

- . More traffic congestion.
- . Noise.
- . Dust fumes.
- . Bad smell.
