Hi Council,

My name is :

Rason for objection:

This is too close to the local school and residents. I am very concern of the waste and smell generated from the facility.

Also concern of the additional traffic, that comes in and out of the facility that affects our children in getting to and from school – Lidcombe public school

I don't think the land size and location is suited for waste management, as it's too close to residential house and apartments – 4 blocks of building about to be completed right next to the area.

I raise my strong disagreement to this application.

Regards,
