Dear Sir/Madam

**Re: DA2023/0130**

**Name:**

**Address:**

**Lidcombe NSW 2141)**

**Mobile:**

I've lived in Lidcombe all my life (27 years). I have grown with the suburb. My family has grown with the suburb.

There is not a single person in the area that wouldn't oppose a detrimental development to both the homes and the people in this suburb.

I am concerned about the impacts this organic waste transfer station will have on my family and the residents.

The Cumberland Council should reject the proposal.
