Reason for Objection: This will lead to increase traffic congestion for residents living in the area. This will contribute to a bad smell (i.e. not being able to open our windows/balcony for fresh air) not to mention it will be noisy therefore negatively impacting the tranquility of our suburb. This could lead to poor health and safety for residents living in the area. This will also reduce the property value for people who are wishing to sell their apartments in the future. Please, Lidcombe has been my home for many years and I am putting my hand up to ensure our community is safe and healthy. We would like to keep it this way.

Thanks for your consideration.
