Hi,

This is

My address is

I strongly object that Cumberland Council allows to build a rubbish tip in Lidcombe. My houses are in Lidcombe. I love Lidcombe. My boy is growing in Lidcombe. The proposed rubbish place is very near my house. If it runs, I recon many traffic jams, noise, air and dust pollution, smell and rats, even I can't imagine it. I don't understand why the council allows to build rubbish place inside of crowd place. It should be built in rural. I have thought Cumberland Council doesn't offer any infrastructure for residents unlike other Councils. No good play grounds for kids. Please offer good and convenient facilities for residents. None welcome the proposed plan(rubbish place) at all. There are too many negative effects for building the rubbish place. Please consider residents' wellbeing and welfare. Many people who don't know Lidcombe think Lidcombe is a humble and dangerous place. Please don't make their thoughts are right. Please don't make my family leave Lidcombe. I believe I have explained enough reasons for objection. Thanks.

Kind regards,
