Hi

This is

I am writing this letter of objection to express my disappointment with the NSW Labor Party.

As a sole trader and a 2nd generation immigrant, I have been living in the area for more than 11 years, I was always supporting your party and I always encouraged my Korean community to support the Labor party. However, with the recent DA2023/0130 in the Lidcombe area, I am deeply sad and angry with the Councilor's decision.

Your DA2023/0130 on 109A Church St, Lidcombe is going to be an absolute disaster in the area.

I believe that Cumberland Council is trying hard to improve our city, but I don't quite get with the recent decision to build a Rubbish tip in our front yard.

As we all know, Our suburb was built on a World class Cemetery and a State-of-art quality Coroners court. Adding another hatred facility in an already shitty suburb may not mean so much to you politicians but Your voters care about what You are doing now.

We want more safety in our area and a clean home.

or reply to this email please

Thank you

Regards
