Reason for objection:

- Traffic congestion (Rawson St and surrounding streets already unpleasant with day to day traffic and noise from vehicles)
- Air, noise and soil pollution (health and general safety concerns)
- Negative impacts to value of our properties
- Most street/road surfaces in the area are already in poor condition due to large volume of trucks and ongoing residential construction and construction of apartments (traffic already terrible at Church St with DA approved high density housing zone)
- 100+ daily large truck movements operating between 6am to 10pm Monday to Saturday will negatively impact quality of life of nearby residents.

Regards,
