My

Hi,

My name is My address is

I understanding that the council is proposing to build a rubbish tip (Orgarnic Waste Transfer Station on 109A Church Street Lidcombe - DA2023/0130). As a local resident, I and my family are strongly object to that. Lidcomde is currently a very crowded area. It is not a convenience location at this stage as it takes us long time to travel to any single location within Lidcombe only. It would be a nightmare if the above plan is approved.

Also, since it is very close to local residents, it will impact their health as well safety. It will affect the tranquillity of our suburb too.

For the above reasons, I strongly appose to the approval of the project. I do hope that you will consider our voice and keep Lidcombe as a safe and clean suburb to inhabit.

Thank you!
