Reason for objection:

This is a family suburb with minimal industrial traffic considering being so close to Parramatta Rd and the factories that are currently around.

The noise, pollution and rodents that this proposal will be bringing is unfair and unacceptable.

Lidcombe is in a fantastic spot but we already have to battle the traffic from the concerts and events that are held in our neighboring suburb - Olympic Park, please do not add to that with the additional traffic, noise and congestion that this rubbish tip will bring us. We will suffer from this.
